it is possible to create a society that is fair and just where everyone has equal value and no one has to justify how they show up we must begin intentional

healing from humanity's traumatic history we must also work on our fidelity to unity and equality we must step out of the systems that aim to separate us in order to embrace oneness this playbook provides mind shift exercises that we all must practice to truly see a durable change in how we interact with one another and create a better world

how were blacks in american slavery formed out of a multiplicity of african ethnic peoples into a single people in this major study of afro american culture sterling stuckey a leading thinker on black nationalism for the past twenty years explains how different african peoples interacted during the nineteenth century to achieve a common culture he finds that at the time of emancipation slaves were still overwhelmingly african in culture a conclusion with profound implications for theories of black liberation and for the future of race relations in america by examining anthropological evidence about central and west african cultural traditions bakongo ibo dahomean mendi and others and exploring the folklore of the american slave stuckey has arrived at an important new cross cultural analysis of the pan african impulse among slaves that contributed to the formation of a black ethos he establishes for example the centrality of an ancient african ritual the ring shout or circle dance to the black american religious and artistic experience black nationalist theories the author points out are those most in tune with the implication of an african presence in america during and since slavery casting a fresh new light on these ideas stuckey provides us with fascinating profiles of such nineteenth century figures as david walker henry highland garnet and frederick douglas he then considers in detail the lives and careers of w e b dubois and paul robeson in this century describing their ambition that blacks in american society while struggling to end racism take on roles that truly reflected their african heritage these concepts of black liberation stuckey suggests are far more relevant to the intrinsic values of black people than integrationist thought on race relations but in a final revelation he concludes that with the exception of paul robeson the ironic tendency of black nationalists has been to underestimate the depths of african culture in black americans and the sophistication of the slave community they arose from

although the world is saturated with extraordinary methods innovation and technology the caribbean seems to have been left behind in the sustainable growth of global development while the majority of the world defines the caribbean as paradise the reality of life for afro caribbean culture is defined by an unrelenting hardship this book comprehensively analyzes this phenomenon from a unique and intimate perspective in order to offer a viable pathway to sustainable growth by examining the historic progression of the caribbean region and the african culture within the author explores the relationship between creative practice and socioeconomic crisis and questions whether limited access to environments that facilitate original and conceptual ideas correlates with socioeconomic crisis the outcomes and methods of analysis developed in this book are a useful tool for other cultures or organizations seeking to diffuse socioeconomic crisis and

implement a pathway of sustainable growth this innovative book will be of great interest to students and scholars of cultural and sustainability studies caribbean and african studies as well as development and sustainable development

exile and post 1946 haitian literature provides readers with an excellent introduction to recent haitian literature one of the richest literary traditions in the americas martin munro focuses on works written after 1946 a period in which exile has become the dominant theme in haitian literature using this notion of haitian writing as a literature of exile munro analyzes key novels by the most important figures of each generation of the past sixty years including jacques stephen alexis rené depestre Émile ollivier dany laferrière and edwidge danticat
